Information and position „ETS CUP” tournament

Brevity history and goals of the “ETS CUP”.

International children's basketball tournament "ETS CUP" turns into a huge sport forum that gathers young people from all over Europe. The first time tournament was held in January 2015 in the Slovak town Spisska Nova Ves .4 teams from Ukraine and Slovakia took part in this tournament. After the tournament we got many requests for participation from other teams. This fact has pushed us to hold a second tournament “ETS CUP” in July 2015. Despite the short time for preparation and advertising, the tournament was attended by 13 teams from 5 countries: Belarus, Romania, Serbia, Ukraine and Slovakia. At the meeting of managers and coaches of teams "ETS CUP", it was decided to turn the tournament into an annual event and assign a time in June.

The main goals of the tournament:

- Developing of such habits as: discipline, teamwork, responsibility, self-esteem;
- Improving sports skills of participants;
- Analysis of the development of club teams and individual players as well;
- Exchange of views on the use of new modern tendencies of training players of different age group;
- Communication between the participants and the establishment of friendly relations between them;
- Strengthening of international relations and cooperation through sport, particularly basketball.

In the upcoming tournament, which will be held in June 2016, is expected 30 teams from 12 European countries.

The tournament organizers sent a letter to the U.S. Embassy in the Republic of Slovakia , which was invited to participate in the tournament US team.

Why we choose “ETS CUP”?

There are several reasons to take part in this tournament.

- Geographical location is Central Europe. That is very convenient for teams, which will arrive from across Europe (to the international airport and train station – 70 km);
- Meeting of representatives from different schools (East, West, North, South);
- Guaranteed participation of each team at least in 5 matches;
- Good financial conditions – in Europe that is the lowest price for participation;
- Very good financial conditions for accommodation on the shores of the Lake Zemplínska Šírava (the largest lake in this area and ranks 12th place in Europe);
- Well-prepared sports halls and referees.(3 halls are used for tournament: gymnasium sports hall - 400 seats; sport hall in Michalovtse city - 2000 places, and ,if necessary , the sports hall in Humenne city- 1200 places);
- The end of the training year is the beginning to showcase the basketball skills;

- This is the most dynamic tournament in their age categories;
- The possibility to combine the tournament with the rest on the shore of ZemplínskaSírava;
- The tournament is headed by the leading specialists and managers of the basketball;
- - A meeting of teams on the basis of population size in their place

“ETS CUP” is supported by:

Community and the Mayor of Michalovce - Viliam Zahorčák. Zemplinska regional organization of tourism TV "Zemplín" and TV "Mistral".

The venue of the tournament.

The tournament is held in Michalovtse city, Slovakia. There are 3 available sports halls for tournament: gymnasium – 400 seats, the sports hall in Michalovtse city – 2000 seats and, if necessary, the sports hall Humenne city 1200 seats.

Accommodation of the participants.

The teams are accommodated in hotels located on the shores of the Lake ZemplínskaSírava. There are private bathroom and balcony in every room. Each hotel has its own open and closed pools. In accommodate at the hotel, without a private pool, can use pool at a distance of 200-300m. Children are accommodated in rooms for 3 pers. Managers and coaches accommodated in 2 bed rooms. Meals in hotels or restaurant are consistent with every team. Teams can accommodate to the hotels out of time of the tournament. It charges an additional fee, depending on the number of days and the hotel. At the request of the teams, official guests can stay in hotels 3 or 4 stars. These issues are discussed further. P.S. In Slovakia the water from aqueduct is drinkable.

Age categories of participants in the “ETC Cup” for 2016.
 girls 2002,2003,2004 and 2005
 boys 2002,2003,2004 and 2005

Category – size of city:

- Up to 100 000 inhabitants.
- Up to 250 000 inhabitants.
- Up to 500 000 inhabitants.
- Free group

If a person in another age have the taste to take part in the tournament, it is possible to create a new age group or team participation in a particular age group, but without participating in the closing ceremony.

For example, it is formed from players born in 2001 and 2002 can participate in the tournament in the age group in 2002, but no longer play for medals.

Category - Town:

The maximum amount of the price which may be obtained by one team is 2 cups and medals.

An example:

This gave the series - in the city 100,000 inhabitants may end up on the final ranked second.

In this case, he gets the cup and medals for second place in the final rung a cup and medals for first place in the category up to 100,000 inhabitants.

SPORTS-TECHNICAL REQUIREMENTS

Rules meetings:

The meeting consists of four periods for 10 (ten) minutes. Playing time can't be stopped (except for breaks and "time-outs") during the game. Last minute of each period – is net time.
